Ms. Joan Kaylor, President PCA

As President of the Greater Pittsburgh Counseling Association, I am requesting that the GPCA make a change to the language in the GPCA by-laws in ARTICLE IX Amendments and Revisions, Section 1 - Proposals. The change in language is for the purpose of matching the language in the PCA by-laws regarding ARTICLE III, Section 5 – Amendments to Basic Documents.

I am requesting that the GPCA language of ARTICLE IX – Amendments and Proposals, Section 1, #1 read as follows:

*“Amendments to any Division, Chapter, or Special Interest Group’s By-laws or other basic documents shall be reported in writing to the President of the Association for approval by the PCA Executive Council at least thirty (30) days prior to the effective date of their adoption and cannot take effect until approved by the PCA Executive Council. Proposed amendments or revisions must be presented to the GPCA Executive Council by the By-laws Committee or an individual member, provided that, in the case of an individual member, the proposed amendment or revision is presented with the signatures of at least five (5) percent of the total number of GPCA Associate and Student members at the time of the proposed amendment or revision; all such proposed amendments or revisions must be submitted in writing at least 60 days prior to the GPCA Executive Council at which adoption is expected.”*

I am requesting that these changes take place the day of the vote of PCA Executive Board.

Respectfully Submitted by:

Jennifer Eaton, MA, NCC-LPC
