**PAGLBTIC Quarterly Report
February, 2008**

PAGLBTIC provided workshops for each of the sessions at the PCA conference, and we offered a certificate of completion for all conference participants who attended all of our division sessions. This year, four attendees received the certificates.

At our annual meeting, held at the conference, members present discussed changing our division name to mirror the national division. The new name would be the Pennsylvania Association for Lesbian, Gay, Bisexual, and Transgender Issues in Counseling (PALGBTIC). We will follow our bylaws procedures regarding the timeline for the proposed change and will advise PCA on the results of that vote so there can be a PCA board vote about acceptance of the proposed change.

We continue to meet with campus and community groups to offer trainings.
