The Pennsylvania Counseling Association 39<sup>th</sup> Annual Conference held October 19-21, 2007 provided 226.1 contact hours to 26 participants. One participant requested CRC contact hours and the remaining participants requested NCC contact hours. One person requested both CAC and NBCC credits. A total of \$20.00 was collected from non-PCA members.

The Professional Development committee is working with President Paul West to create detailed procedures for offering online advertisement of upcoming workshops. To date, PCA has received one such request. The draft of the procedures is scheduled to be completed by the end of the month.

Respectfully submitted,

Michelle Bruno, Ph.D., LPC
