UNIVERSITY CURRICULUM COMMITTEE**

MINUTES OF THE APRIL 27, 2006 MEETING

Randy Schaeffer called the meeting to order stating that there was a quorum.

Present: Randy Schaeffer (Chairperson), Vera Brancato, Kristin Bremer, Charles Cullum, Sue Czerny, Mark Dinger, Beth Herbine, Karen Kresge, Debbie Lynch, George Paterno, David Rogers, Elizabeth Rogol, and Marilyn Stewart.

Absent: Dana Cubeta, Robert Gray, and Matthew Hess.

Also in Attendance: Carolyn Bell, John Conahan, Kathleen Dolgos, Joanne Emge, Fred Garman, Karen Rauch, CJ Rhoads, Thomas Robinson, and Daniel Szilagyi.

GENERAL ANNOUNCEMENTS

R. Schaeffer had four announcements. Due to the volume of course proposals that are on the agenda, there is a continuation meeting scheduled for Thursday, May 4, 2006, at 11:00 a.m. in MSU 312.

At the December 8, 2005, meeting, the UCC approved renumbering ELU 201 to ELU 300 with an effective date of Fall 2006. The Elementary Education Department has since requested a starting date of Spring 2007, and administration has agreed.

Also at the December 8, 2005, meeting, the UCC approved RAR 410 as a one-time only offering in England. The effective date was incorrectly given as Summer I 2006. It should have been Summer II 2006.

Several faculty present with proposals at the end of the agenda requested their course proposals be moved to the front of the agenda. There were no objections from the members of the Committee.

MINUTES

It was moved by G. Paterno and seconded by K. Kresge to approve the Minutes of the March 23, 2006 meeting. MOTION PASSED.

NEW BUSINESS

Proposed revisions to the Bylaws Revisions focused on adding an Assessment section to course proposals, and instituting a routing procedure for the Educator's Workshop (EDW) proposals.

1. Section II. A.5, **add** "Representative from the Advising Center."
2. Section VIII.A, **add** "7. Educator's Workshop Courses"
3. Section XI.A.8, **delete** "and" after "courses." After "Selected Topics," **add** "and Educators' Workshop courses".
4. Section XIII. Proposals, Section A.2. Rationale, **delete** "its inclusion in the curriculum and, where appropriate, the relationship of the proposed course to other courses in the curriculum. **Replace with** "should include a description of how the course will help to achieve the goals of the program for which it is intended (either the major program and/or General Education).
5. **Add** "Section XIII. Proposals, Section A.4. Assessment: A list of the instruments used to assess students' achievement of the course objectives must be included."
6. Change "Course Outline", **from** Section XIII.A.4 **to** Section XIII.A.5.
7. Change "Instructional Resources", **from** Section XIII.A.5 to Section XIII.A.6.
8. Change "Additional information" **from** Section XIII.A.6 **to** Section XIII.A.7. In this section, **delete** "means of evaluation"; **add** "and" between "needs", and "unusual".
9. Section XIII B, **change** heading to "One-Time Only/Selected Topics/Educators' Workshop Course Proposals."
10. Section XIII.B.1; **delete** "These proposals shall follow the same routing procedures as all other proposals. The courses should be closely screened at the department and college curriculum committee levels."
11. Change Section XIII.B.4 **from** "Sixteen copies" **to** "Seventeen copies."
12. **Add** Section XIII.B.5: "A One-Time Only course may be offered only one time. To be offered again, the course must receive full approval through the regular approval curriculum process."
13. **Add** Section XIII.B.6: "A specific course title for a Selected Topics course may be offered up to two times, but must be announced each time so that it is noted in the curricular records. (Please note that if a department wishes to offer a specific course title for a third time, the department must route the course proposal through the UCC process as a regular course."

14. **Add** Section XIII.B.7: “Educators’ Workshop courses may be offered an unlimited number of times, but must be announced each time so it is noted in the curricular records. Since they are designed as professional development workshops to meet Pennsylvania Act 48 requirements, Educators’ Workshop courses may not be used to fulfill the requirements of any degree program at Kutztown University.”

15. Change Section XIII.G **from** “Sixteen copies” **to** “Seventeen copies.”

M. Stewart expressed concern that EDW course proposals need not originate in the department that teaches the subject of the course. R. Schaeffer noted the UCC can decline to announce courses if there is a concern until the problem can be resolved.

It was moved by D. Lynch, seconded by M. Dinger, to accept the proposed bylaw changes.
MOTION PASSED.

The revisions will be forwarded to the APSCUF Representative Council and will go into effect upon the Council’s approval.
