Dear Friends and Colleagues,

PCA Professional Development has been quiet for the 2004-2005 academic year. Two divisions, Montgomery County Counseling Association and PA Specialists in Group Work have applied for NCC contact hours. The state conference held in October at State College also granted NCC, CRC and CAC contact hours for certification to national certified counselors, certified rehabilitation counselors, and certified addiction counselors. Social worker hours were offered but none granted.

As a reminder, only the state conference offers CRC, CAC, and social worker contact hours in addition to NCC contact hours. PCA is an approved provider #2039 for the National Board of Certified Counselors. Only NBCC contact hours are provided for PCA divisions and chapters the rest of the year. This is because there is a cost for CRC and CAC hours and it is very time consuming to do for each workshop that requests them as well as social worker hours. It would require much more time and money to provide these additional hours. PCA is working on offering Act 48 hours.

All professional development forms are located on line at HYPERLINK "http://www.pacounseling.org" www.pacounseling.org for those divisions and chapters interested in applying for NCC hours. Non PCA members are required to pay \$10.00 for processing of NCC contact hours. PCA members enjoy free contact hours as part of their membership. Comments are welcome by contacting Joan Kaylor at HYPERLINK "mailto:JoanKaylor@hotmail.com" JoanKaylor@hotmail.com.
