COLLEGE COMMITTEE ON ACADEMIC AFFAIRS

Upon motion by Dr. Dreisbach and Dr. Monroe, the following proposal was approved:

The Committee on Academic Affairs at its most recent meeting moved to make the following change in the first paragraph on Page 26 of the current college catalog:

To be graduated a student must complete 128 semester hours of credit with a cumulative quality point average of 2.0 or better in all courses attempted while a student at Kutztown State College. Sixteen semester hours of the last 32 semester hours of credit required for graduation must be completed at this institution.\* A minimum of thirty-two (32) semester hours must be taken at Kutztown State College.

\*Students in the Medical Technology program may take their last 30 semester hours at an approved hospital for which Kutztown State College will grant credit.

Rationale

Without the requested change in the catalog, some might question whether the 30 semester hours at an affiliated hospital was in violation of the original rule.

CONSIDERATION OF PROPOSAL FOR COLLEGE-WIDE COMMITTEE ON STUDENT AFFAIRS

Mr. John Fredericks presented a proposal for a nine-person committee (composed of students, administrators and faculty) to serve in handling all student affairs matters and which would report directly to President Stratton. Dr. Monroe and Dr. Law moved approval of the proposal. After discussion, it was moved by Dr. Whitcomb, seconded by Dr. Dent, to refer the proposal to the Senate Committee on Student Affairs. This motion carried.

REPORT OF SENATE COMMITTEE ON FACULTY AFFAIRS

1. Prof. Foust, committee chairman, moved approval of the revised constitution (as presented at the February 6 meeting of the Senate). The motion was seconded by Prof. Schutt and the motion was approved by the necessary three-fourths vote of the Senate.
2. This committee had been asked at an earlier Senate session to consider the question of institutional response to faculty and/or family in cases of death, retirement and other such occasions. Prof. Foust moved, with second by Dean Roth, to recommend to President Stratton the appointment of a protocol officer by the President to handle matters relating to faculty retirement, death and other such matters. The motion carried.

CONSIDERATION OF PROPOSAL TO AMEND CONSTITUTION

The proposal, presented at this meeting and to be voted upon at the next meeting, is as follows:

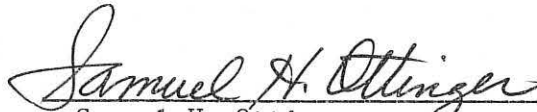

Delete Item 2, Section C of Article VI, which reads:

"Standing committees shall be concerned only with such business as may be referred to them by the Chairman of the Senate."

The intent of the amendment is to allow proposals to originate in committee rather than just as a response to referrals by the Senate Chairman.

Prof. Foust and Prof. Keller moved approval of the amendment. Senators were requested to discuss the amendment in their departments and come prepared to vote on it at the next meeting.

Upon motion by Prof. Klucsarits and Dr. Goldberg, the meeting was adjourned at 5:35 p. m.
