**PAGLBTIC Quarterly Report
May, 2008**

PAGLBTIC members met on Saturday, May 3, and mapped out plans for our third year of presenting an LGBT track at the annual conference. One of the presentations will be dually listed with PaCCA.

At that meeting, members present took a formal vote on changing our division name to mirror the national division. The new name would be the Pennsylvania Association for Lesbian, Gay, Bisexual, and Transgender Issues in Counseling (PALGBTIC). Our bylaws state that the total membership must have 25 days from their date of notification to comment on any proposed changes. At the summer PCA board meeting, we will present our division decision so the PCA board can vote regarding its acceptance of our proposed change.

Members are contracted to do a day-long training on affirmative counseling practices at Wilson College in Chambersburg on October 3. CEUs will be offered, and we will be targeting counselors in south central Pennsylvania and northern Maryland. In addition, we continue to look for venues in which to offer our training services.

Respectfully submitted,
Peggy Lorah, President
