Mark E. Kenney M.Ed., NCC, LPC
Archives Chair

I have been working on the following items since our last meeting.

- I handled a request by board member regarding identification of past-presidents for a newsletter article.
- I created a list of past-presidents and past conference information for the conference chair for the conference program.
- In consultation with the past archives chair and president, I handled the professional request of a PCA member for archival information regarding the history of the licensure process for a journal article.
