Professional Development
October 24, 2008

This report will highlight the activities of the professional development committee during the last 3 months. Activities include conference preparation, processing of request for workshops, processing of CEU forms, and website advertising. Details follow.

In preparation for the 40th PCA annual conference, requests were made to the University of Pittsburgh School Of Social Work (no fee) and to the Commission for Rehabilitation Counselor Certification CRCC (\$50 fee).

During this report period, the Professional Development (PD) Committee reviewed and approved one conference approval, Great Pittsburgh Counseling Association (GPCA). This event offered two continuing education credit hours. Subsequently, two workshop participants submitted evaluation forms and requests for their continuing education hours. Finally, the PD committee received two inquiries regarding website advertising, but no request forms followed.

The PD committee would like to request input on two items: a) possibly moving the continuing education process to an electronic format beginning in 2009, and b) possibility providing a list of trainings (for cues) occurring in Pennsylvania. NBCC provides this information in an electronic format.

Respectfully submitted,

Michelle Bruno, Ph.D., LPC
Chair, Professional Development
