Special Presidential Presentation: Examining Hate: Taking Action

Pennsylvania Association Multicultural Counseling and Development would like to invite all interested PCA members to meet, to discuss, and to share educational resources to address the most recent racial “hate crimes ” that have occurred nationally in several communities and campuses throughout the United States. Please join us as we reaffirm our responsibility as professional counselors in addressing the issue of hate and in sharing our expertise with our schools, college campuses, and towns on how to create inclusive and accepting communities. Based upon this meeting, a resource list will be created and posted on PCA’s web site.
