**PAGLBTIC Quarterly Report
October, 2007**

PAGLBTIC will once again be offering a certificate of completion for all conference participants who attend all of our division sessions.

On September 7, Connie Matthews and Peggy Lorah completed a second full-day training on affirmative counseling for gay, lesbian, and bisexual Clients for Diakon Family Life Services in Berks County. The focus of this training was on individual and family development. Thanks to Mark Kenney for facilitating these presentations. Response has been enthusiastic, and Connie is exploring the possibility of replicating this training in other areas of the state. This has been an effective way to generate funds for PAGLBTIC while providing much-needed training for clinicians.
