Course: **New Course: MLS 357, Walking the Camino de Santiago, Summer I 2019**
Proposal: **Addition of a new course to the Master Course Listing.**
Comments: N. Zimmerman was present to speak to this proposal. An amendment was provided to the committee, which notes "The ability to hike at least 10 miles per day over rough terrain for 8 days in a row will be an essential requirement of the trip and the course itself when part of the Summer Study Abroad Program 2019." T. Witryk asked how students will prove this ability before taking the course. N. Zimmerman noted that they will be screened by the faculty, and that permission of the instructor is a prerequisite for the course; she said the students will be registered after proof of ability is established by the instructor. C. Wells noted that courses approved by UCC need to be able to be offered on campus or anywhere, and not just as a specific location-bound study abroad course, and she noted that this will be setting precedent with courses approved at UCC. T. Witryk said he sees this as a memo only attached when the course is taught as part of a Study Abroad program.

It was moved by A. Sraiheen, and seconded by T. Rober, to consider and approve this proposal. MOTION PASSED. A. Sraiheen abstained from the vote.

Program: Program Revision: CDE Change in Effective Dates, Spring 2019
Proposal: Omnibus change in effective dates for previously passed proposals.
Comments: D. Bosler was present to speak to this proposal. T. Witryk noted that since these changes were already implemented and affected students for the Fall 2018 semester, and work-arounds have been established, the effective date for this proposal should be Spring 2019, not Fall 2018. This means that the changes will revert back to the previous versions for all courses from Spring 2019 until the new effective date for each is reached, as listed in the memo.

Course: Course Revision: MUP 276, Popular Music Ensemble, Spring 2019
Proposal: Change in course prerequisites.
Comments: T. Rober was present to speak to this proposal. T. Witryk was concerned with the change in prerequisite and removing the need for auditions. If students were then removed from the course due to lack of ability, they would be up to a week behind in any other course they could enroll in, and therefore be at a disadvantage not of their own choice. T. Rober noted that they would be notified by Thursday of week one, and that all other ensembles begin in week two, so students may not be behind. T. Witryk stated that students may not get into another ensemble, or may choose a different course altogether, and this is the reason for his concern, because if they choose a course that is not a music ensemble, they will effectively be a week behind through circumstances not of their own choosing.

It was moved by T. Rober, and seconded by D. Darrah, to consider and approve this proposal. It was moved by S. Kim, and seconded by D. Darrah, to table this proposal. **MOTION PASSED.**
