Executive Council Meeting
PCA 39th Annual Conference
Penn State University
Friday, October 19, 2007**

**Mark E. Kenney M.Ed., NCC, LPC
Archives Chair**

I have been working on the following items since our last meeting.

- 1. I have been instructed by the president to better organize and consolidate our archives records. On behalf of the president and past archives chair, I made an inquiry regarding this task at the ACA North Atlantic Region leadership meeting in September. I am still waiting to receive their list of suggested items that would be appropriate to have in our archives. For future consideration, the board may want to look into electronic storage of materials.**
- 2. The president brought to my attention the fact that next year's conference will be our 40th anniversary. I will be working on organizing our archives in order to have any requested materials available for this special event.**
