Absent were Senators: Prof. Joseph Patton and Dr. Roger Whitcomb; and Student Representative Gail Robinson.

I. APPROVAL OF THE MINUTES OF THE LAST MEETING

Prof. Keller moved the approval of the minutes. After Dr. Moyer's second, the motion carried.

II. ANNOUNCEMENTS

The Chairman made the following announcements:

- A. that the Senate will continue its May meeting at 4:00 P.M. on Thursday, 13 May 1976, in the Library Science Reading Room of the Rohrbach Library;
- B. that minutes from the Board indicate that proposals in progress will reduce the medical services available on campus to faculty members.

III. NEW BUSINESS

A. Candidates for graduation

Dr. Dreisbach moved that candidates for the bachelor's degrees be approved for graduation, pending completion of all requirements for their respective degrees. Two changes in the list

followed: the addition of the name of Kathleen Maria Chernesky, Secondary Education, Social Studies; and the deletion of the name of Debra L. Burgess, who died in an accident. Following Prof. Trollinger's second, the motion passed as amended. Dr. Dreisbach then moved for adoption of a resolution recommending that the Bachelor of Science in Art Education be awarded posthumously to Debra L. Burgess. Dr. Dreisbach said that the Board of Trustees would also have to approve the same or a similar resolution. After Prof. Schutt's second, the motion carried.

Dr. Dreisbach then moved that candidates for the master's degrees be approved, pending completion of all requirements for those degrees. Following Dr. Hershberger's second, the motion carried.

C. Graduate Council

After yielding the chair to Dr. Hunkins, Dr. Goldberg moved the approval of History 5--, Topics in the History of Early Modern Europe (3 s.h.). After Prof. Dreisbach's second, the motion passed. Dr. Hunkins returned the chair to Dr. Goldberg.

B. Curriculum Committee

Dr. Dreisbach presented the following recommendations and moved the approval of each:

1. PE 1--, Advanced Life Saving (1 s.h.). Dr. Law seconded the motion. Dr. Bucci then moved to delete paragraph 3 on page 2. Dr. Grossman seconded the motion. After some discussion, Dr. Bucci withdrew his motion and Dr. Grossman his second. Prof. Dreisbach then moved to add the following sentence at the end of the course description: This course cannot be taken instead of PE 001 and PE 002. Following Dr. Lucas's second the amendment passed. The motion then passed as amended.
2. PE 1--, Water Safety Instructors (2 s.h.). Prof. Arnold seconded the motion. Prof. Ori then moved to add the following sentence at the end of the course description: This course cannot be taken instead of PE 001 and PE 002. After Dr. Marsh's second, the amendment passed. The motion then passed as amended.
3. History 356, The Modern Middle East (3 s.h.). Following Prof. Felkay's second, the motion carried.

4. the following suggestion from the Department of Art Education:

that the Art Concentration for students within the Elementary Curriculum be altered as follows:

- b. (under electives) Replace SP ED 306: Arts and Crafts for the Visually Handicapped with ART 180: Three Dimensional Design. Add ART 150: Introduction to Crafts.

Following Prof. Keller's second, the motion passed.

5. Special Education 305, Arts and Crafts for the Atypical Child (3 s.h.). After Prof. Keller's second, the motion passed.
6. the following requests to change the title and the course description of Sp. 210: change the title from Advanced Public Speaking to Persuasive Speaking: Theory and Practice; and change the description to read as follows: Students will make persuasive speeches and be introduced to persuasive theory in some detail. The emphasis will fall on the use of effective proofs and motivational appeals. Following Dr. Marsh's second, the motion carried.
7. the proposed degree of Bachelor of Arts: Environmental Studies. Prof. Dreisbach seconded the motion. Dr. Hunkins then moved to amend the program so that Math 140, applied Statistical Methods, will be listed in the Subject Major as an alternative to Psy. 200, Statistics for Social and Behavioral Science. Prof. Felkay seconded the motion. Following some discussion, Dr. Hunkins withdrew the motion and Prof. Felkay his second. Prof. Ori then moved to refer the proposal to the Curriculum Committee for clarification. After Prof. Scott's second, the motion to refer failed. Dr. Dreisbach then moved to table the proposal and refer it to the Environmental Studies Committee to modify and resubmit on 13 May. After Dr. Hunkin's second, the motion to table passed.

8. a proposal for the degree of Bachelor of Science: Environmental Science. Prof. Scott seconded the motion. Dr. Hunkins then moved to amend the proposal by adding a place for Free Electives at the end of the outlined program. After Prof. Scott's second, the amendment passed. The original motion then passed as amended.
