Thanks so much, Carl, for this excellent information. It is so helpful, and it will give us a full agenda. I'm sorry that you won't be with us, but I'll be sure to check in with you to let you know how things go.

Best wishes--Peggy

Hi Peggy,

Some thoughts for your PAGLBTIC agenda:

- 1) Updated list of membership-action plan to reach out to former members
- 2) Distribution of PAGLBTIC Bylaws
- 3) Distribution of " Guidelines for Psychotherapy With Lesbian, Gay, and Bisexual Clients" published in American Psychologist December 2000, or more recent guidelines of comparable value. One of our former goals was to upgrade competency/ counseling skills among practitioners with GLBT clients.
- 4) We were also working on a community resource list. Mark should have some notes on this issue.

Really sorry to miss this meeting. Give my regards to all.

Carl

Greetings Everyone--

It's wonderful to think that we'll have a chance to get together at the PCA conference this weekend. The schedule for division meetings has just been finalized, and we will be meeting from 5 to 6 on Saturday, right after the final workshop of the day. For those of you who might not be attending the conference, please email me and let me know special projects you might like to see us get involved in, tasks you would like to see us accomplish during this year, and ways in which we could be helpful to you. For those of you who are going to be at the conference, please be thinking about

those same things, and come prepared to talk about ways we can make a difference in PCA and in the lives of those we work with and care about. We have several very interesting workshops that members of PAGLBTIC will be presenting, so I encourage you to come and enjoy the conference and the fellowship.

Hope to see you this weekend--Peggy
