Past - President's Report
Activities since May 18, 2007

I attended the Pennsylvania Alliance of Counseling Professionals – PACP – summit at Shippensburg on June 9th.

Letters were sent to all PCA chapters advising them of the change in by laws regarding membership to PCA, attendance at board meetings and necessary financial reports. One chapter is in compliance, Greater Pittsburgh Counseling Association. PA Northeast Counseling Association, Montgomery County Counseling Association and Counseling Association of Greater Philadelphia do not meet PCA requirements and thus, will remain inactive until and unless they come up to compliance.

Answered numerous questions by phone and email regarding continuing education, supervision for LPCs and unequal insurance reimbursement between PhD counselors and PhD psychologists.

Respectfully submitted,
Joan Kaylor, MEd, NCC, LPC.,
PCA Past - President
