Executive Board Meeting/Retreat  
State College, PA  
Friday, July 20, 2007

Mark E. Kenney M.Ed., NCC, LPC  
Archives Chair

Three file cabinets of PCA Archived materials were delivered by President West on June 30, 2007 to my home along with the strong box containing our charter. I will continue the process of gathering all pertinent documentation during the current board's term of 2007-2008. If you have materials that you think should be in the archives file, than submit such documents to me for review. In addition, I will be reviewing archives in order to reduce the amount of duplication of materials in past files and completing in integration of 2004-05 financial information.

I would like to thank the board's support in assuming this committee chair.
