PASERVIC will be hosting a 2007 spring retreat at Mountain Dale Farms-May 18th, 19th, & 20th. The spring retreat is open to everyone. It is a time of renewal and relaxation. A flyer will be available at the PCA conference in October for networking purposes.

Lisa May, PASERVIC President Elect helped to host a workshop by William Culp, PASERVIC member. On September 9th, Dr. William Culp presented a workshop entitled "The Circle of Life: Mandela" at Gannon University in Erie, Pennsylvania. This workshop was sponsored in a collaborative effort between PASERVIC, the Community Counseling Program of Gannon University and the Gamma Upsilon Chapter of Chi Sigma Iota. Twenty-five people were in attendance as Dr. Culp explained how participants could use Mandela drawings in their work, as well as to provide insight into their own process. Participants made their own Mandela drawings, and then practiced holistic interview techniques as they explored the twelve transitional states of the growth process. The day closed with a drum circle lead by another PASERVIC officer, David Tobin.
