PAGLBTIC REPORT  
OCTOBER, 2006

A PAGLBTIC meeting was held on September 30, 2006. Members worked on details for the PCA conference. We have programs planned for each of the session times, and we will be providing certificates of completion for attendees who complete the 6.25 hours of the GLBT track. In addition, PAGLBTIC will have our usual table filled with resources and books.

Since the last PCA board meeting, PAGLBTIC representatives have provided a Safe Zone training at Lock Haven University, and we are scheduled to do a day-long workshop on affirmative counseling for GLBT individuals and their families for clinicians through Family Life Services in the Reading area.

We continue to work on compiling a resource guide of affirmative practitioners and facilities for PCA members. We also hope to develop a listserv.

Respectfully submitted,

Peggy Lorah
