There are a few activities to report on this quarter in support of PASERVIC goals for 2005-2006.

The 8<sup>th</sup> annual Spirituality in Counseling conference is happening Saturday, September 17<sup>th</sup>. Members who attend will be holding a meeting. Conference participants interested in learning more about the association are invited to join. A drumming circle and dinner will follow.

The Spring retreat is being planned for May 2-4<sup>th</sup> at Camp Hebron PA. Three cabins will be rented, one for males, one for females and one co-ed. Several interesting workshops are being reviewed including a presentation by PAGLBTIC on how spirituality relates to LGBT issues, dreams, Kinesiology, breath and relaxation.

PASERVIC will hold its annual business meeting at PCA Conference on Sunday morning, November 20<sup>th</sup>, the time is TBA. Members and interested parties are invited to join for dinner at 6:30 Saturday the 19<sup>th</sup> and for drumming at 9:00 that same evening.

Consent agenda question: What are the proposed times for division round tables?  
When is the best time to hold the PASERVIC meeting that does not conflict with other PCA board activities?  
If we have not already, can we have a moment of thoughtful silence for those whose lives have been uprooted by nature's recent upheaval as well as the continued aggression throughout our nations sphere of influence.

Peace to all, Joanna
