Pennsylvania Association of Addictions and Offender Counselors
August 2005

I sent a membership survey to all PAAOC members in June of this year and received a negligible response. However, two people did indicate an interest in taking on leadership responsibilities. We are in the process of ascertaining whether or not they meet the criteria listed in the by-laws and/or whether they are willing to do what is needed to meet the stated criteria (primarily membership in ACA and IAAOC). Once this is determined, ballots will be sent to the membership.
