PAMCD Report:

Since the May 2005 meeting, I have taken the following action regarding PAMCD. An email was sent to all members regarding an announcement of the 2005 conference and for the call for proposals. In addition, I alerted members to our financial status, provided an article that had not been placed in our newsletter, shared my interest in co-sponsoring a reception for Dr. Arredondo at the conference, and ascertained any interest in leadership opportunities within the division. One person did express interest in participating on the executive board. Once all membership dues are secured, our division will be in the best financial shape in recent history. I will continue to work on rebuilding the division during this current fiscal year.
