Chester Dawson
Disruption of Coves, cont’d

... a sense of ethical purpose and a sense of growing into a vital individual. Within it is much disengagement from the status quo. When a small group is organized for a homestead, they know what they want, are persistent and ruthless in attaining their antago­nism; whenever a group pursues a homestead in an area where there is a vacuum, the small or­ganized unit is thrust into the void.

Three Essentials

Mr. Krcves concludes with an appeal to all parents, to the School of Living, and lists pre­requisites: (1) intelligent, enthusi­astic, capable leadership; (2) a philosophy and practice of the School of Living term “adequa­cy,” and to produce manures for the ·... well for water. septic tank for containing a harvest-kitchen, a .good, so zestful, so honest, so .It is a matter of dreary toil and a con­... fighting alcohol is bound to lose .We offer spaces for 3 to 6 trail­... it makes me ask who wants to be my father. - Virginia Gilmer, North­... require the realization of that potential in the people who come to such an area, and by work­... in the air, and to furnish food and .Purposes of modern life is the way .There is rich .... simple life, handcrafted, ... to be accessible to others, ...toil but a pleasant way of life and a few luxuries.
