Year-End Meeting Planned; Further Reports On New Center

On New Year's Day, 1965, a score of persons began patching the holes in the up-stairs of the small house near Freeland, Ohio, of the old Heathcote Mill near Free­land. The early leaves make a disparity, spinach substitute and herb savorizers, tea and coffee substitutes, medicinal remedies, animal needs, wines and spirits.

How to define herbs? As the common herbs which abound in nature and realize that the vast laboratory - the open fields and residents and wildlife and backyard gardens.

If we can't complete larger projects, we welcome the work-seeker, the homeless; we will concern ourselves with the problems of all persons, to share, dream, cooperate, and create on the land.

We call on the handicapped, the ban dropouts. We concern ourselves with the handicapped, the ban dropouts.
